

PHOTOGRAPHY

During our apiary sessions a member of SS&DBKA may take photographs of activities taking place in the Apiary. These photos may be reproduced in our newsletter, website, training materials, or in publicity materials. Copyright is retained by the Association so that these can't be reproduced without the Association consent.

If you are unwilling to be photographed please indicate in the attendance register. If not, we will assume that you are consenting to being in a publicity photograph.

If you consider yourself to be a vulnerable person or are a child, you will need to have an explicit consent form signed by a guardian or parent: please speak to the Apiary Coordinator about this or if you have any other queries.

Thank you
